

napaARTwalk

The first sculpture for the new Napa ARTwalk was installed June 17 in the Riverbend Plaza at the Historic Napa Mill, and a second piece was placed in the Opera House Plaza at Napa Creek on June 19. Eight more pieces of art are to be added in various Downtown locations by mid July to complete this temporary juried exhibition.

To celebrate this first annual Napa ARTwalk, the Napa Community Redevelopment Agency and Arts Council Napa Valley will host a free community event on Wednesday, July 14 at 4pm at the corner of First and School Streets outside Napa City Hall. Following the reception there will be a walking tour beginning from City Hall along First Street to Main Street and ending at the Napa Mill for light refreshments. Many of the artists will be present to answer questions about their work. Voting boxes created by artists at Vine Village will be found at Downtown locations and residents are invited to cast a ballot to determine a People's Choice Award to be presented at the end of the exhibition.
